

“POINTS TO BE REMEMBERED WHILE USING ONLINE CLASSES”

FOR PARENTS (WHAT TO DO / WHAT NOT TO DO)

DO'S :

- ▶ Encourage your child to take Online School Classes the same you inspire them to go and attend regular schools.
- ▶ Ensure that your child had bath and proper breakfast before they appear in Online Classes.
- ▶ Provide a neat and clean seating space to your child to attend Online Class and ensure required gadgets and connectivity is available.
- ▶ If your child doesn't have a device then please share your mobile or computer with him to keep his studies uninterrupted.
- ▶ Talk to your child and educate him about why it is important to continue studies in the Covid-19 situation and safety essentials.
- ▶ Ensure while your child is attending the Online Classes he/she doesn't face any issue.

“POINTS TO BE REMEMBERED WHILE USING ONLINE CLASSES”

FOR PARENTS (WHAT TO DO / WHAT NOT TO DO)

- ▶ Ensure that your child maintains discipline and follow the school time table while attending Online Classes.

DON'TS

- ▶ Don't allow your child to leave Online Classes before it completes.
- ▶ Don't advise your child that there will be revision and re-study once the school will open again.
- ▶ Don't make fun of School's efforts to run Online Classes. Remember that this is a critical situation especially for small kids as they don't understand the situation well. The criticism will only hurt the education of our children.
- ▶ Don't keep your phone device busy, keep it available to the child as per his class schedule communicated by school.
